Main Edits:

00:11:07-00:15:00	Cut rambling
01:05:12-01:11:20	Cut irrelevant conversation
01:30:00-01:46:47	Cut silence
01:52:50-02:40:41	Cut rambling

Source: intro take 3.mp3

Main Edits:

00:03:14-00:06:00	Replace with 00:15:24-00:18:14
00:06:02-00:10:03	Insert applause sound effect 1

Further Edits:

Added background music 1 throughout the recording which starts immediately (not fading in) alongside the edited intro. Background music fades quieter when main conversation begins. Conversation fades out quickly (01:53:01 – 01:53:03) then background music fades out between 01:53:01 and 01:59:12.
